RE: Virtual Back to School Meetings – March 27

Dear Parents/Guardians and Students,

What a busy week our teachers, staff and administrators have had to prepare for virtual learning that starts on Monday! Planning continues today and tomorrow, and we are proud of the commitment of our educators to provide a quality experience for your children. Virtual education will be a completely new way of teaching and learning, and we are confident that teachers, students, and parents will move forward with grace and understanding as we approach this together.

To help ease any jitters about a new method of learning, all schools are hosting Virtual Back to School meetings tomorrow, Friday, March 27th. Your child(ren) will receive an email from their teachers inviting them to join a Zoom meeting at a designated time on Friday. Whiteman Elementary and Knob Noster Elementary classroom teachers will host their meetings at 4:00 p.m., Knob Noster Middle School advisory teachers will host their meetings at 5:00 p.m., and Knob Noster High School Panther Hour teachers will host their meetings at 6:00 p.m. The intent of these brief meetings is to give families an opportunity to test the student devices' log in and connection capabilities, provide a quick overview of virtual schedules and lessons, and answer students' questions.

I encourage you and your child to virtually attend these meetings if your schedule allows. Please consider connecting to Zoom meetings 5 minutes early. Thank you again for your partnership to support learning from home in the days and weeks ahead!

Very respectfully,

Jerrod H. Wheeler, Ed.D.

Superintendent of Schools
