

## Wi-Fi Access Locations

The District Wireless system will remain online during any closures. The network can be accessed by District devices from the following locations.

- KNHS Parking Lots (Front Gym Entrance, Cafeteria, Visitor Parking by flag pole)
- KNMS Parking Lot (Up by the Cafeteria)
- KNWE Staff Parking Spots (Near front door)
- Bus Barn parking lot (close to the mechanics shop, not the bus sheds)

In addition, public Wi-Fi spots or Cellular Hotspots (data plans allowing) may be possible options for students.

## Contact Information for Technical Assistance

For technical assistance in the event of a school closure, contact [jdavis@knobnoster.k12.mo.us](mailto:jdavis@knobnoster.k12.mo.us).

## Home / Mobile Devices

In addition to (or instead of) using a district provided laptop for completing schoolwork, personal computing devices or smart-phones can be utilized for remote-learning communications. Google Classroom / Gmail / Zoom Meetings all work on PC, MAC, Android, and iOS.

## Resources for Teachers

In addition to the regular Google Suite of programs (Docs, Drive, Classroom, Gmail) and Zoom Meetings, we have a list of pre-approved apps available at
